State News

Governor Abbott's Executive Order May 18, 2020

- Texas has spend the last several weeks ramping up adequate supplies of PPE and continuing to build and protect hospital capacity.
- Over the first half of May, the state doubled the number of all tests administered in March and April combined.

- More than 25,000 tests are being administered statewide on a daily basis
- More than 600 testing sites throughout the state
- 7 day rolling average of positive cases still continues to decline and is currently ~5%. Yesterday the state had fewer hospitalizations than any single day since April 15.
- Surge Response Teams still working to stop the spread in nursing homes, jails and meat packing facilities. Surge teams are in Amarillo and the surrounding area addressing the local hot spot that has developed.

County News

Hand Sanitizer from Harris County Pct. 4

On Tuesday, May 19, 2020, Harris County Pct. 4 Commissioner Cagle's office is partnering with their community partners to bring free hand sanitizer! Bottles of hand sanitizer (32 oz) will be distributed at The Recreation Center at Rob Fleming Park to Woodlands' constituents, beginning at 9 a.m. until supplies are gone. Curbside delivery and walk-ups welcome. Limit one (1) bottle per family.

COVID-19 Testing Sites

Three COVID-19 drive-thru testing sites are now open in Walmart parking lots. The sites are supported by Walmart, eTrueNorth and state and local officials to test anyone who meets CDC and state and local guidelines on who should be tested. Those interested in being tested need to visit www.DoINeedCOVID19test.com to see if eligible for testing and to make an appointment. For more information including dates, times, address and more, please read the [press release](#).

America's ER was selected and contracted by the Montgomery County Hospital District (MCHD) and the Montgomery County Public Health Department (MCPHD) to provide COVID-19 testing for up to 12,000 Montgomery county residents at America's ER's drive-through testing facilities. Please read [the press release for more information](#).

Montgomery County COVID-19 Case Count

Montgomery County Public Health District, in conjunction with Montgomery County Office of Homeland Security and Emergency Management, confirms the number of ACTIVE cases of

COVID-19 has increased to 521 today. That number includes 58 hospitalizations. 278 people have fully recovered. The number of total positive cases has increased 19 since Friday to 817.

There is also a new partner in the MCHD/MCPHD COVID-19 testing voucher program. Those who wish to be tested can do so at a new location starting today. Woodlands Functional Family Medicine is located at 8000 McBeth Way, Suite 190 in The Woodlands. Residents will have to make an appointment at this location and Lone Star Family Health Center. Appointments are NOT required at America's ER. See below for more information on testing sites.

Key points of the program:

- Vouchers are only for Montgomery County residents.
- You may only receive 1 test through the voucher program.
- Obtain vouchers by calling 936-523-5040, M-F 8:00am-4:30pm.
- Vouchers, if unused, expire in 5 days.
- The testing site is solely responsible for notifying you of results.

Coronavirus Testing Basics

You've probably heard a lot about coronavirus testing recently. There are two different types of tests – diagnostic tests and antibody tests. A diagnostic test can show if you have an active coronavirus infection and should take steps to quarantine or isolate yourself from others. An antibody test looks for antibodies that are made by the immune system in response to a threat, such as a specific virus. [Learn more](#) about the different types of tests and the steps involved.
